SPECIAL EDUCATION

Belgium goes for inclusion

15

- ▶ Ratification UN-convention for persons with a disability
- ▶ Right for everyone with a disability to reasonable modifications and adjustments in their own environment
- ▶ The **M** easers-law (start september 1st 2015)
- ▶ The M of Mindshift
- ▶ Goal decrease the number of pupils in SE with 50% in 6 years

Some changes:

Legal obligations for mainstream schools

- **Stimulation:** encouraging and emphasizing positive aspects
- **Compensation:** admit the use of technical aids
- **Remediation:** adapted and individual support
- **Differentiation:** multiple means of presentation of the curriculum in order to meet different learning needs
- **Dispensation:** eliminate certain parts of the curriculum and replace it by an equivalent

Some changes

- ▶ Pupil guidance center is the only organisation to make an admission to special schools
- ▶ In this "report for SE" the necessary measures are the most important not the categorial diagnose
- ▶ Special units in mainstream schools ex: OV4 T9
- ▶ Guarantee scheme.
