

A COLLABORATION TOOLBOX TO BUILD A SCHOOL FOR ALL.... TOGETHER IS BETTER!

Schools in different countries (Austria, Belgium, Finland, Slovenia, Sweden and UK) are working together in a Comenius project. The result will be a website with a toolbox, full of good practices and useful information, focused on the collaboration of mainstream and special schools to optimize qualitative education for all children. Professional development will be a part of the toolbox, including the teacher trainings in each countries. Thank you for filling out this questionnaire and welcome to our website: www.comeniustoolbox.weebly.com

Specialization
INCLUSIVE EDUCATION OR OTHER TOPCIS

"A communication toolbox to build a school for all" 68511BB8E0E4E695. This project has been funded with support from the European Commission. This publication reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

Do you include special needs in the regular program and/or is special needs an extended/optional program?

There will be no separate special needs education teacher any more.

Teachers will be for instance

- Primary teacher with focus on inclusive education or
- Secondary teacher with focus on inclusive education.

During Master studies students are able to specialize further in topics like speech therapy, behavior, assisted communication systems, severe cognitive handicaps,....

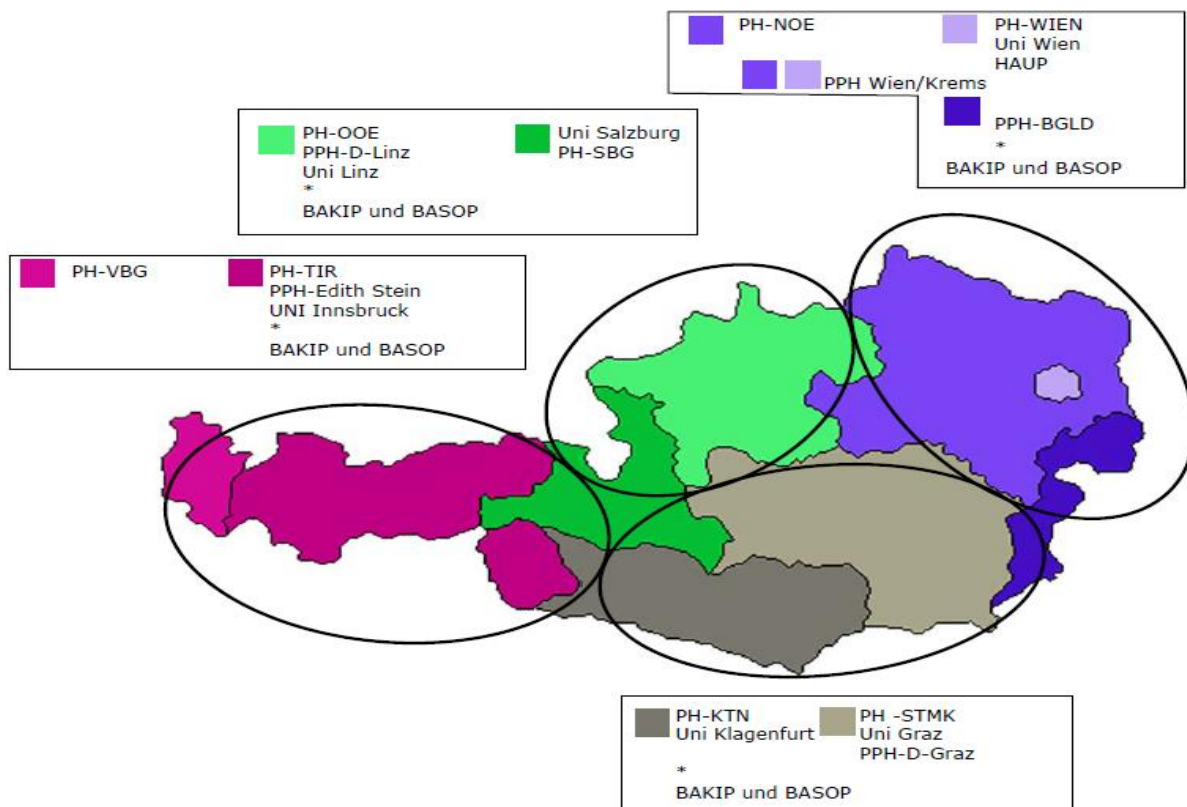

EDUCATION CLUSTERS

Teacher education institutions will work together in 4 regional clusters.

Each cluster will provide education in different specialized fields in inclusive education.

The cluster south-east (Region Graz) will specialize in behavior, language, cognitive learning, mentoring and assessment.
